

What is Really Happening in Syria Today?

Mother Agnes-Mariam of the Cross is Mother Superior at the Monastery and Convent of St. James in Qara, Syria.

Mother Agnes has inspired the Mussalaha (Reconciliation) Initiative to mediate disputes and arrange ceasefires. In spring 2013 she organized an international delegation including Nobel Peace Prize Laureate Mairead Maguire to visit Lebanon and Syria. The delegation observed and talked with refugees plus opposition and government

representatives. Mother Agnes challenges the veracity of Western media reporting on Syria. She presents a dramatically different perspective based on her "on the ground" observations and experiences. Mother Agnes is touring North America to inform people about the reality in Syria and the need to stop foreign support and financing of terrorism. Her message is non-sectarian, promoting universal Peace, Love and Reconciliation.
